

BREAKING MEASURES

PRODUCT INFORMATION

A life built on lies...

On the fast track to international success, acclaimed concert pianist Leila Cates is close to achieving her dreams. But her path to certain stardom comes to a crashing halt when the body of her boyfriend, a world-renowned conductor, is discovered on the eve of her New York debut. When rumors about their relationship surface, Leila quickly becomes the primary suspect.

A past with the power to shatter the future...

Desperate to clear her name, Leila sets out to uncover the truth. Enlisting the reluctant help of Orion Frazier, the lead detective on the case, their investigation soon entangles her in a world of betrayal and deception.

With everything on the line, can Leila find the strength to face what she finds?

A taut suspense thriller of dark secrets and even darker ambitions, *Breaking Measures* is a mesmerizing novella about the treachery love can hide.
